Live Auction Donation Request

Lynchburg Public Square

Each year, the Metro Lynchburg, Moore County Chamber of Commerce works hard to support locally owned, independent, small businesses in historic Lynchburg and Moore County. Frontier Days is one of several fundraising events the Chamber hosts each year to continue their work.

It's a tradition begun by local founders over 60 years ago. Held on the weekend prior to the Fourth of July, Frontier Days is a two-day event that's evolved into not only a local celebration but also a small-town festival that attracts visitors from the surrounding counties and across the state.

We're contacting you with a win-win proposition for your business. Each year, the Chamber hosts a Lynchburg Chamber Fundraising Live Auction the Saturday of the event. Hundreds will gather at the Lynchburg Gazebo that day, as local auctioneer Eric Fruehauf leads the bidding on hundreds of homemade, handmade, locally produced, made in Tennessee, and other rare items.

It's a great way to help a worthy cause looking to make a difference in our community and raise awareness of your business. Not only will thousands of potential customers get exposure to your product or service, but Fruehauf will announce your business name and donation numerous times during the live auction.

The Chamber is a 501©6 organization, and your donation is tax-deductible.

Please respond with donations or contributions by June 10, 2026. We can arrange for items to be picked up.
