

Metropolitan Lynchburg / Moore County
CHAMBER OF COMMERCE

Come help us celebrate Lynchburg's 64th Annual Frontier Days on June 26th and 27th in historic Lynchburg. Members of the Metro Lynchburg Moore County Chamber of Commerce are volunteers committed to providing family-oriented events for all. We are planning to have live entertainment, SCA Steak cook-off, rides for the kids, lady's cast iron skillet toss, cloggers, live auction, kids pedal tractor pull and a power wheels demolition derby, fireworks, Hot Air Balloon, TikTok sensation Eian Rivera from Texas to perform, and several other attractions.

With community and business support the Chamber will have a fantastic event. The Chamber is a 501 C6 organization to which your sponsorship is tax deductible. We have different sponsorships listed for you to choose from. Ranging from \$350 to over \$5,000.

Your sponsorship will allow us to provide entertainment, events, and awards for the coveted Frontier Days which all Moore Countians love.

Attached is a list of events that you could sponsor and a list of benefits that you will receive during the event for your sponsorship.

For additional information or help sponsoring Lynchburg's Frontier Days contact the Chamber at 931-759-4111, info@lynchburgtn.com

We would really appreciate any support for our local festival.

Sincerely,

Marsha Hale, President

Metro Lynchburg Moore County Chamber of Commerce
