ORDER

Before the Court is the Receiver’s “Third Unopposed Motion to Extend Deadline to Respond to Plaintiff’s Motion to Dismiss Counterclaim” [Doc. 257]. Previously, the Court gave Receiver until October 15, 2026, to respond to Plaintiff/Counter-Defendant Farm Credit Mid-America, PCA’s “Motion to Dismiss the Counterclaim.” [Doc. 247]. Receiver now asks the Court to allow until November 16, 2026, to respond. [Doc. 257].

The Court is inclined to deny this request, however, because Receiver’s time to respond has expired and opposing counsel does not object to the extension, the Court will **GRANT IN PART** Receiver’s motion [Doc. 257]. Receiver is **ORDERED** to respond to Plaintiff/Counter-Defendant’s motion to dismiss [Doc. 247] **on or before Friday, October 23, 2026**. Again, all parties are **CAUTIONED** that further motions to extend briefing deadlines will be disfavored and should only be filed upon a showing of good cause based on circumstances that the parties or their counsel could not have reasonably anticipated.

SO ORDERED.
